

I Get Along Without You Very Well

Rosemary Clooney, Orchestra & Nelson Riddle

(Hoagy Carmichael)I get along without you very well

Of course I do

Except when soft rains fall

And drip from leaves then I recall

The thrill of being sheltered in your arms

Of course I do

But I get along without you very wellI've forgotten you just like I should

Of course I have

Except to hear your name

Or someone's laughter just the same

But I've forgotten you just like I should

What a guy

What a fool am I

To think my breaking heart could kick the mood

What's in store

Should I phone once more

No, it's best that I stick to my tune

I get along without you very well

Of course I do

Except perhaps in spring

But I should never think of spring

For that would surely break my heart in two
