

# United in Helotry

## Revocation

Content within  
your inner prison  
Divisive deadening  
of all the sensesRank and file  
Marching endlessly  
United in mental helotrySolidarity destroyed  
What incentive is left to resist?  
Spite will have to suffice  
Your apathy turns my knuckles whiteStarved faculties of imagination  
You gorge on banalities, then ask for secondsRank and file  
Marching endlessly  
United in helotryNo sight beyond your blinders  
Devoted to this beaten pathSolidarity destroyed  
What incentive is left to resist  
Spite will have to suffice  
Your apathy turns my knuckles  
whiteRank and file  
Marching endlessly  
United in helotryMarch  
March
