

Like a Nightmare

[Motörhead](#)

I wanna be there
I got to see
I wanna feel it
I wanna watch you looking at me
Oh, you know how I feel
When you set me free
Like a nightmare
Like a nightmare, babe
Like a nightmare
Nightmare, oh
It's an infection
It's a disease
But no reflection
It's gonna make your blood freeze
Oh, you know how I feel
When you set me free
Like a nightmare
Like a nightmare, babe
Like a nightmare
A night, nightmare, oh
I can't believe you
You can't be true
But I'll bereave you
I can't explain how good it feels
I know how you feel
I'm gonna set you free
Like a nightmare
Like a nightmare, sugar
Like a nightmare
A night, night, night
