Another Way

Good Morning Spider

[Incomprehensible]I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
When I look into your eyes
I feel myself fly around the world
Now you're in my dreams alive
I feel it's paradise inside my world
When I look into your eyes
I feel my heart at flight around my skies
When I stay with you alive
I feel it's paradise inside my life
Don't you see that
I want to touch your body
Can't you see that
I fly with you, I pray for you
Living in another way
To live it up just another day
Living in another way

Don't stop, don't stop
Don't stop, put it down
Living in another way

To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down
[Incomprehensible]I'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it
Don't you see that
I want to touch your body
Can't you see that
I fly with you, I pray for you
Living in another way
To live it up just another day
Living in another way
Don't stop, don't stop
Don't stop, put it down
Living in another way
To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down
