

# Always

## Yeah Yeah Yeahs

Always, always, always, always, always, always  
Always, always, always, always, always, always  
Always, always, always, always, always, always  
Always, always, always, always, always, always Forget the time, forever mine  
Impossibility is possible to me  
To me and you, we'll see it through Always, always, always, always, always, always  
Always, always, always, always, always, always Forget the time, forever mine  
Impossibility is possible to me  
To me and you, we'll see it through Always, always, always, always, always, always  
Always, always, always, always, always, always
