Such a Shame

Sandra

Such a shame to believe in escape
A life on every face
And that's a change, till I'm finally left with an eight
Tell me to react, I just stare
Maybe I don't know if I should change
A feeling that we share...
It's a shame
(Such a shame)
Number me with rage, it's a shame
(Such a shame)
Number me in haste, it's a shame
This eagerness to change
It's a shame...
The dice decide my fate and that's a shame
In these trembling hands my faith
Tell me to react, I don't care
Maybe it's unkind if I should change
A feeling that we share...
It's a shame
(Such a shame)
Number me with rage, it's a shame
(Such a shame)
Number me in haste, it's a shame
This eagerness to change
Such a shame...
Tell me to react, I don't care
Maybe it's unkind, I should change
A feeling that we share...
It's a shame
(Such a shame)
Number me with rage, it's a shame
(Such a shame)
Number me in haste, it's a shame
This eagerness to change...
Such a shame...
