Little Nikki Says

Little Nikki

Anything you can do, I can do better
If you donâ€™t like that, better put it in a letter
If youâ€™re playing on my grounds,
My rules, my house

Love is up, and the haters down
If you donâ€™t love me, get outta my zone
Up a little booboo fly
So I, can hide

Wooo-oh-oh-oh-oh-oh-oh-oh

You are invited to join me at awesome
Wooo-oh-oh-oh-oh-oh-oh-oh
Do what I say and do what I do

Little Nikki says, put your hands up
Up, up, up, high
Little Nikki says, take your hips down
down, round, down low

Little Nikki says, put your hat
Swing, swing, side to side
Swing, swing, hands side

Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say

Skip, skip, skip to my loo
Bring me a cake, and Iâ€™ll eat it too
Lifeâ€™s too short to waste this slice
Mmm-mmm, tastes nice

Iâ€™m sick, Iâ€™m bad
Iâ€™m great, Iâ€™m mad
I roll so cool that I scared my dad

I say potato, then you say it too

Ip dip do, Iâ€™m stepping on you

Wooo-oh-oh-oh-oh-oh-oh-oh

You are invited to join me at awesome
Wooo-oh-oh-oh-oh-oh-oh-oh
Do what I say and do what I do

Little Nikki says, put your hands up
Up, up, up, high
Little Nikki says, take your hips down
down, round, down low

Little Nikki says, put your hat
Swing, swing, side to side
Swing, swing, hands side

Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say

â€¦

Little Nikki says, put your hands up
Up, up, up, high
Little Nikki says, take your hips down
down, round, down low

Little Nikki says
Little Nikki says
Little Nikki says

Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say
Stop, Nikki didnâ€™t say
