

# For The Girl

## The Fratellis

La la la la la la.....

Well she said I know but I just can't tell  
Everything you've just been saying  
Lucy was there aswell in the dark  
When the kids in the band were playing

No-one can hear a word I tell  
What the girl was singing  
See she must've been 16 or 18  
I'm just past caring

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was bursting their noses  
She would tell me a secret  
I would lose it the next day  
You're not pleased that you're easy  
Makes you sick in a bad way

And all the while the girls sang  
La la la la and she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I can't love you anymore than this!"

La la la la la la.....  
La la la la la la.....

Aww she said she said oh no no no no  
Let me yes why don't you kill me  
I said when I'm messed up like this  
Sweetheart you know that don't thrill me  
Said I would've been there if only I had been a little bit nicer  
I was dead by Sunday half dead scared just trying to please her

She getting the pills when  
I was into her best friend

She was chasing the thrills  
And living down at the West End  
She was pretty in braces  
I lived out of her window  
She said "take me to London"  
Tell me something I don't know

And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I can't love you anymore than this!"

La la la la la.....  
La la la la la.....  
La la la la la.....  
La la la la la.....

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was bursting their noses  
She would tell me a secret  
I would lose it the next day  
You're not pleased that you're easy  
Makes you sick in a bad way  
And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I don't like you  
You can't stand me  
I can't love you anymore than this"
