

Dear Mr. God

The Warren Brothers

dear mr god
Im writing you today
because it seems lately i've forgotten how to pray
I know i dont need this pen
everybody likes to get a letter now and then
Im sorry for not writting more

Chorus}
cause i need you
but its hard to see
why anyone as big as you needs anything from me
I know your there
so how ya been
I m alright but i cant lie
sometimes I feel like given in
your all i got
dear mr. God
Chorus}

sometimes I wished you lived next door
so pour the coffee
and tell me what you started this all for
I guess you saw
that sunrise yesterday
thanks for the reminder
that youve never gone away
it gives me hope
telling you what you already know

{chorus submit your all i got
dear mr. god}

dear mr god
tell me do you ever cry
when we forget to thank you for the good things in our life
i know i cant
always understand
why you do the things you do
but i know in the end
ill meet you

if i stand next to you
so here i am

Dear mr. god I m writting you today
because it seems like lately ive forgotten how to pray
