Proud Division

Advisory - the following lyrics contain explicit language:

A clue from knowledge, ward off the casualties
The mindless banter of all the derogatory
It's the best thing that could happen even with all the dread
It'll so good to see the backs of your headsGot my own sign, my own line, to hell with the doubt
Got my own sign, my own line, you gotta hear me out
Got my own place, my own spaceIt's my proud division that will free me
My proud division that will free mePiece together the madness with a clue to all the wrong
Follow the right way never wanna be wrong
Pledge allegiance to all your own beliefs
In accordance to your own individual breedGot my own sign, my own line divisive and proud
Got my own place, my own place to hell with the doubt
Got my own place, my own ways to fight the crowdIt's my proud division that will free me
It's my proud division that will free me, yeahA clue from knowledge, ward off the casualties
The mindless banter of all the derogatory
It's the best thing that could happen even with all the dread
It feels so good to see the back of your headGot my own sign, my own line, divisive proud
Got my own sign, my own time, divisive proud
