

Walking with Spring

The Okee Dokee Brothers

Chorus:

Inch by inch by

Foot by foot by

Step by step by mile

We're takin' it inch by inch by

Foot by foot

Till we find ourselves

In the wild We're startin' down south and headin' up north

Following the path of spring

And with every step the leaves turn green

And the whippoorwills start to sing (and they're singin'...) Chorus The days get longer and the flowers will open

When they hear that banjo ring

So let's melt the snow and bring out the sun

While we take our walk with Spring (Take a walk now...) We might as well stop and smell all the roses

Winter's in the past

And there's no need to rush, no need to fuss

'Cuz we ain't goin' nowhere fast Chorus We'll take it mile by mile by

Hour by hour by,

Day by day as we climb

And then it's week by week by

Month by month by,

Year by year For a lifetime
