

# I Don't Think It's Funny

Bee Gees

You get your pleasures out of hurting me , honey  
You get your kicks out of watching me cry  
You play around an awful lot to hurt me , honey  
Why do you laugh when there are tears in my eyes I don't think it's funny , honey  
My days are not so sunny  
Why don't you make up your mind  
Let me put my arms around you  
Make rainbows all around you  
But I don't know if you are mine If I was yours and you were mine , my little honey  
We could be happy till the very day I die  
But all you ever want to do is hurt me , honey  
Why do you laugh when there are tears in my eyes I don't think it's funny , honey  
My days are not so sunny  
Why don't you make up your mind  
Let me put my arms around you  
Make rainbows all around you  
But I don't know if you are mine (break) I don't think it's funny , honey  
My days are not so sunny  
Why don't you make up your mind  
Let me put my arms around you  
Make rainbows all around you  
But I don't know if you are mine But I don't know if you are mine  
But I don't know if you are mine
