Give It Up

Steve Miller Band

Your good lovin' is what I need
Good lovin' is what I need
Oh, a little bit of love and some affection
Keep me movin' in the right direction
Good lovin' is what I needSo come on give it, give it, give it, give it, give it, give it, give it, give it, give it up, give it up
Come on darlin' give it up
Give it, give it, give it, give it, give it, give it, give it, give it, give it up, give it up
Come on darlin' give it upA little bit of love and some affection
Keep me movin' in the right direction
So give it up, give it up
Come on darlin' give me your loveI am so in love with you
Baby, it's true
Come on darlin', we got to be smart
Come on darlin', don't play with a heart
Give it up, give it up, come on darlin' give me your loveHey, hey baby
Don't do me this way
No, no
Hey, darling
Don't do me this wayA little bit of love and some affection
Keep me movin' in the right direction
So give it up, give it up
Come on darlin' give me your loveSo come on give it up, give it up
Come on darlin' give me your love
Oh, oh give it up, give it up
Come on darlin' give me your loveOh, a little bit of love and some affection
Keep me movin' in the right direction
So give it up, give it up, come on darlin' give me your loveSo come on give it, give it, give it, give it, give it, give it, give it, give it, give it up, give it up
Come on darlin' give it up
Give it, give it, give it, give it, give it, give it, give it, give it, give it up, give it up
Come on darlin' give it upA little bit of love and some affection
Keep me movin' in the right direction
So give it up, give it up, come on darlin' give me your love
