

Under The Sun / Every Day Comes & Goes

Black Sabbath

Well I don't want no demon to tell me what it's all about
No black magician telling me to get my soul out
Don't believe in violence, I don't even believe in peace
I've opened the door and my mind has been released
Well I don't want no preacher telling me about the god in the sky
No I don't want no one to tell me where I'm gonna go when I die
I wanna live my life with no people telling me what to do
I just believe in myself, 'cause no one else is true
Every day just comes and goes
Life is one big overdose

People try to ruin me
And I can't seem to eliminate them
People riding their real pace
Keep on running their rat race
The ante is risen once a week
In their world of make-believe
So believe what I tell you, it's the only way to fight in the end
Just believe in yourself, you know you really shouldn't have to pretend
Don't let those empty people try and interfere with your mind
Just live your life and leave them all behind
