

Once Upon a Time

Air

No time before it's too soon
No time after it's too late
Time's getting old, time's over now
Don't try to be on time
Don't try to run after time
Time's getting on, time's over now I'm a little boy, you're a little girl
Once upon a time
I'm a little boy, you're a little girl
Once upon a time
Time's getting on, time's over now
I'm a little boy, you're a little girl
Once upon a time
I'm a little boy, you're a little girl
Once upon a time
Time's getting on, time's over now I'm a little boy, you're a little girl
Once upon a time
I'm a little boy, you're a little girl
Once upon a time
Time's getting on, time's over now
I'm a little boy, you're a little girl
Once upon a time
I'm a little boy, you're a little girl
Once upon a time
Time's getting on, time's over now
