

# Only the Lonely

## Bob Wilbur

We walked the loneliest mile  
We smile without any style  
We kiss altogether wrong  
No intention

We lied about each others drinks  
We lived without each other thinking  
What anyone would do  
Without me and you

It's like I told you  
Only the lonely can play

So hold on here we go  
Hold on to nothing we know  
I feel so lonely  
Way up here

You mention the time we were together  
So long ago, well I don't remember  
All I know  
Is that it makes me feel good now

It's like I told you  
Only the lonely can play  
Only the lonely  
Only the lonely can play
