misty river

Danny Kirwan

Written by danny kirwan.Across the misty river
Across the seven seas
I see a magic ship
Coming back to meI see memories of you and me
That now are gone
And you're here by my sideAcross the misty river
Across the misty riverSometimes I think of you
In circles in my mind
But now the time has come
For the sun to shineBy the river side, standing here
I can't hide
When you're so close to meAcross the misty river
Across the misty river
Across the misty river
Across the misty riverAcross the misty river
Across the seven seas
I see a magic ship
Coming back to meI see memories of you and me
That now are gone
And you're here by my sideAcross the misty river
Across the misty river
Across the misty river
Across the misty river
