

misty river

[Danny Kirwan](#)

Written by danny kirwan. Across the misty river
Across the seven seas
I see a magic ship
Coming back to me I see memories of you and me
That now are gone
And you're here by my side Across the misty river
Across the misty river Sometimes I think of you
In circles in my mind
But now the time has come
For the sun to shine By the river side, standing here
I can't hide
When you're so close to me Across the misty river
Across the misty river
Across the misty river
Across the misty river Across the misty river
Across the seven seas
I see a magic ship
Coming back to me I see memories of you and me
That now are gone
And you're here by my side Across the misty river
Across the misty river
Across the misty river
Across the misty river
