

If I Die Tomorrow

Florida Georgia Line

I wake up to find myself
After all these years
And where all the time has gone
Still seems so unclear
'Cause there's no one else
Since I found you
I know it's been so hard
But girl you should know If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive
If I die tomorrow It brings out the worst in me
When you're not around
And I miss the sound of your voice
The silence seems so loud
'Cause there's no one else
Since I found you
I know it's been so hard
Girl you should know If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive
If I die tomorrow I spent all my life
Looking for our innocence
I've got nothing to lose
And one thing to prove
I won't make the same mistakes
Now I know
That everything will be okay
When I die tomorrow If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive

You're my everything
You make me feel so alive
If I die tomorrow yeah
If I die tomorrow yeah
