

# My Life

Dido

What I choose to do is of no concern to you and your friends

Where I lay my hat may not be my home

But I will last on my own

'Cos it's me and my life, it's my life, it's my life Oh, the world has sat in the palm of my hand, not that you'd see

And I'm tired and bored of waiting for you

And all those things you never do

'Cos it's me and my life, it's my life, it's my life
