

Maybe I'm Right

Clifford T. Ward

Lately you are the girl I'm dreaming about
And if I should venture to say
Would you think me too forward or something like that
Would you turn me away? Maybe I'm right, maybe I'm wrong
But I get the feeling your love could be strong
I might be misled, these feelings wasted
So why don't you guide me and be mine tonight, tonight
Simply, you are the girl I cannot erase
For me there can be no doubt
No matter what I do, my mind is amazed
And you are the only way out
Maybe I'm right, maybe I'm wrong
But I get the feeling your love could be strong
I've waited alas but love has no compass
Why don't you guide me and be mine tonight
