

# Thanks for the Memory

## Slade

Como estas chickadee?  
Have a housemaid on your knee  
eat an apple ev'ry day  
An onion keeps ev'ryone away  
Have an athlete on your feet  
have some honey with your meat Eat an apple ev'ry day  
the doctor has got to keep away  
He'll tell you  
Thanks for the mem'ry  
thanks for it all  
Wham bam  
thank you malm  
thanks for the ball. Have a burgular alarm  
Have a milkmaid on your farm  
can you raise a ballyhoo  
If only there's nothing else to do.  
Have some butter with your fly  
They sald bananas could get you high  
Eat an apple ev'ry day  
the doctor has got to earn his pay  
He'll tell you  
...  
Como estas chickadee?  
Tap the water on your knee  
eat an apple ev'ry day  
The doctor has got to keep away He'll tell you  
...
