Badfinger

La la la la la la la la la la
She looks out of her window at the people passing by they look so happy make's her cry
She watches them laughing sees the lovers holding hands and everyone each others friendsBeautiful and blue they're not as good as you
Beautiful and blue they're lonely tooShe feels so unhappy she no longer cares for life and is close to ending all her strives
The world doesn't know her it's so hard and cold and cruel she wonders why she's such a foolBeautiful and blue
Beautiful and blue
