

Sofisticated

Stereo MC's

So sophisticated
I'm such a zero
So sophisticated
I'm such a zero
Don't burn
Don't burn
Don't burn
Don't burn
Don't burn
Now I'm gettin' relocated
Destination zero
I'm so dislocated
From my real born hero
You wanna see me fall
What you askin' for
I patted your behind
And ya givin' me aggro
Don't burn
Don't burn
Don't burn
Don't burn
Don't burn
So sophisticated
I'm such a loser
She knows how to use me
But I don't wanna lose her
Baby don't run
Baby don't come
Don't run
Don't come
Gonna prove them wrong
Find a place a space
To rise to now i'm moving on
She's so sophisticated
I'm such a zero
She's so sophisticated
I'm such a loser
She knows how to use me
But I'll never lose her

She's so sophisticated
So sophisticated
Say it to my face
Don't burn
Now I'm gettin' relocated
Destination zero
I'm so dislocated
From my real born hero
You wanna see me fall
What you askin' for
I patted your behind
And ya givin' me aggro
Don't burn
Don't burn
Don't burn
Don't burn
Don't burn
She's so sophisticated
I'm such a loser
She knows how to use me
But I don't wanna lose her
Baby don't run
Baby don't come
Don't run
Don't come
She's so sophisticated
She's so sophisticated
She's so sophisticated
She's so sophisticated
She knows how to use me
She's so sophisticated
So sophisticated
