

Questions and Answers

Sham 69

As soon as we are born

We're told what to say and do

But only a friend can know the you that's youSo think before you do what they say

It's your life so go your own way

Questions and answers, honesty, lies

Yes, no, you can't, but you can and you know whyArgueents your statement

Just say look I'm alive

Just doing what you think is right

Will help you to surviveSo think before you do what they say

It's your life so go your own way

Questions and answers, honesty, lies

Yes, no, you can't, but you can and you know whyThere is noone that should tell you

What you can and cannot be

The world was made for all of us

For you and yes for meSo think before you do what they say

It's your life so go your own way

Questions and answers, honesty, lies

Yes, no, you can't, but you can and you know why
