

Free to Love You

Tommy Shaw

I don't want to grow up
To be a preacher
I don't want your soul in my hands Oh, and I don't want to sentence you to some
Heaven or hell
You'll have to do that for yourself All I want to do is be free to love you
All I want to do is be free to love you Don't say a word
Right now, don't say a word
I've already heard
Can't hear a sound
My heart can't hear a sound
My ear's to the ground
Oh, and true love should be
Two hearts set free I don't want to grow up
To be a lawyer
I don't want your future in my hands Oh, and I don't want a percentage
Of what you stand to lose
There must be bigger things to do All I want to do is be free to love you
All I want to do is be free to love you Don't say a word (true love should be)
Right now, don't say a word
I've already heard too many words
Can't hear a sound (two hearts set free)
My heart can't hear a sound
My ear's to the ground
And you, love, should see
One heart is me Oh, oh, oh Don't say a word (true love should be)
Right now, don't say a word
I've already heard too many words
Can't hear a sound (two hearts set free)
My heart can't hear a sound
My ear's to the ground
Oh, and you, love, should see
One heart is me One of those hearts is me
So don't say a word
