

Figure 8

Elliott Smith

Figure 8 is double 4
Figure 4 is half of 8
If you skate, you would be great,
if you could make a figure 8,
that's a circle that turns round upon itself. Figure 8 is 2 times 4
4 times 4 is 2 times 8
If you skate upon thin ice,
you'd be wise if you thought twice,
before you made another single move.
