

Longfellow Serenade (Single Version)

Neil Diamond

Lonfellow serenade
Such were the plans I'd made
For she was a lady
And I was a dreamer
With only words to trade
You know that I was born for a night like this
Warmed by a stolen kiss
For I was lonely
And she was lonelyRide, come on baby, ride
Let me make your dreams come true
I'll sing my song
Let me make it warm for youI'll weave his web of rhyme
Upon the summer night
We'll leave this worldly time
On his winged flightThen come, and as we lay
Beside this sleepy glade
There I will sing to you
My Longfellow serenadeLongfellow serenade
Such were the plans I made
But she was a lady
As deep as a river
And through the night, we stayedAnd in my way, I loved her as none before
Loved her with words and more
For she was lonely
And I was lonelyRide, come on baby, ride
Let me make you dreams come true
I'll sing my song
Let me sing my song
Let me make it warm for youI'll weave this web of rhyme
Upon the summer night
We'll leave this worldly time
On his winged flightThen come, and as we lay
Beside this sleepy glade
There I will sing to you
My Longfellow serenade
