

# Forever And Always (Acoustic)

## Bullet for My Valentine

The time is here again  
Prepare to be apart  
And it drives you crazy  
Each time I go away  
The distance gets longer  
But it makes us stronger

Should it all come crashing  
Down around me  
Would you be there  
Should I stumble and fall  
Pick up the pieces

[Chorus]  
Wo-ho-oh  
Forget about the shit that we've been through  
I wanna stay here forever and always  
Wo-ho-oh  
Standing here in front of all of you  
I wanna stay here forever and always

These days are dead again  
It's empty from the start  
And it drives me crazy  
The hours drift away  
It hurts to remember  
This will soon be over

Should it all come crashing  
Down around me  
Would you be there  
Should I stumble and fall  
Pick up the pieces

[Chorus]  
Forever and always  
Wo-ho-oh  
Wo-ho-oh  
Forever and always
