

# Mile High Club

## Gorilla Zoe

747 or a VC10

Winter, summer who knows when?

Takeoff passion, flyaway love

Mile high club

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs

I never heard that noise before

Don't be treated like a pound

Let currencies go up and down

Mashed potato, rocksteady rub

Mile high club

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs

And I never heard that noise before

Never give up, never say die

Ignore the fools when they cry

If this thing fails, nothing at all

It won't fail

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs

It's got it's ups and downs
