

Desert Song

Def Leppard

Dark and dirty
Like you have never seen
A mind so twisted
With thoughts so unclean.
My heart is racing
All tattered and torn
I stand here naked
As the day I was born. Over and over I stand
I'm holding the world in my hand
I got to believe The sky is falling
On this setting sun
Echoes of silence
Ringing loud and long
This isolation
Is the king of pain
A lost horizon
In an ocean of flames Only the lonely will stand
I'm holding the world in my hand
I got to believe
