

Evil (Single Version)

Cactus

You're a long way from home
Can't sleep at night
Grab your telephone
Somethin' ain't right That's evil, evil's goin' on
And I'm just warnin' you brother
You better watch your happy home Long way from home
Can't sleep at all
Feels like a mule's kickin' in your skull That's evil, evil's goin' on
And I'm just warnin' you brother
You better watch your happy home Watch it, watch it! Long way from home
You can't sleep at all
Feels like another mule's kickin' in your skull That's evil, evil's goin' on
And I'm just warnin' you brother
You better watch your happy home Watch your happy, watch your, watch your happy home yeah, evil, evil,
evil! watch your happy home
