

My Stupid Heart

TINI

My stupid heart
It's always falling in love
It's always falling apart
It's not too smart
My stupid heartOooohhhhMy, my, my, my stupid heartOooohhhhHere I am want to get out in the rain
I must be crazy
Addicted to pain
I thought that I would be able to changeYouOhYou
Asking myself: will I ever learn?
Touchin' the flame, thinking I won't get burnt
After all we've been through
I thought I earnedYouOhhhYouMy stupid heart
It's always falling in love
It's always falling a part
Lost in the darkMy stupid heart
One livin' reason
Keeps on believing
It's not too smart
My stupid heartOooohhhh
My, my, my, my, my stupid heartOooohhhhRemember the time that we laying the grass
Your lips on my lips and your hand on mine, yeah
Can't understand why everything happend so fastYouOohhhhYouYou held on so tight
Days and days and nights
Now, I finally see the light
See the lightWhen you think you ain't
You can not hear the markMy stupid heart
It's always falling in love
It's always falling a part
Lost in the dark
(Lost in the dark)My stupid heart
One livin' reason
Keeps on believin'
(Keeps on believin')
It's not too smart
My stupid heart
You held on so tight
Days days and nights
Now I finally see the light
See the light

When you think you ain't
You can not hear the mark

Mark

You beat heart
It's always falling in love
It's always falling in love
It's always falling apart

Lost in the dark

Lost in the dark

My stupid heart

One livin' reason

Keeps on believin'

It's not too smart

My stupid heart

Oohhhhh

My, my, my, my stupid heart

Ooohhhhh

My stupid heart
