

Ten Minutes to Hollywood

My Ruin

Dear Mr.
Your name here
Don't think we'll forget
How you managed to
Be so full of shitIt's just another day in L.A.
Just another day, so I'll say
Its just another day in L.A.
Hollywood is so fakeTell us lies, we believe you
Close your eyes, we won't see you
Take our lives, if you need to
Suck us dry, let us feed youDaddy dearest
With your band
You really had us fooled
But you proved that with a doubt
Bitches rule the worldIt's just another day in L.A.
It's just another day, so I'll say
It's just another day in L.A.
Hollywood is so fakeTell us lies, we believe you
Close your eyes, we won't see you
Take our lives, if you need to
Suck us dry, let us feed youBury us in all your fabricated little schemes
Calculated to be nothing like what it all seems
Slander everything we stand for
We won't compromise
And we promise that this revolution
Won't be televisedWhy would you pretend to be
On our side then publicize your lies
When we learned the truth
Then we were forced to recognizeIt's just another day in L.A.
It's just another day, so I'll say
It's just another day in L.A.Tell us lies, we believe you
Close your eyes, we won't see you
Take our lives, if you need to
Suck us dry, let us feed youLet us feed you
Let us feed you
Let us feed you
