# intruder

## M.O.D.

Not wanted.
But a wanted man.
No invitations.
Invade I plan.
To interrupt.
Disrupt and bother.
Heckle and Jeckle.
Bow to honor.
My presence.
The intruder.
Take away the i-n-t.
I get ruder.
I irritate.
Make you hate.
Inspire violence.
Throughout the state.
Bow to me.
Down on your knees.
Bow to me.
I am the intruder.
