

# Aubrey

## Grover Washington, Jr.

And Aubrey was her name  
A not so very ordinary girl or name  
But who's to blame? For a love that wouldn't bloom  
For the hearts that never played in tune  
Like a lovely melody that everyone can sing  
Take away the words that rhyme, it doesn't mean a thing And Aubrey was her name  
We tripped the light and danced together to the moon  
But where was June No, it never came around  
If it did it never made a sound  
Maybe I was absent or was listening too fast  
Catching all the words but then the meaning going past But God I miss the girl  
And I'd go a thousand times around the world just to be  
Closer to her than to me And Aubrey was her name  
I never knew her but I loved her just the same  
I loved her name Wish that I had found the way  
And the reasons that would make her stay  
I have learned to lead a life apart from all the rest  
If I can't have the one I want, I'll do without the best But how I miss the girl  
And I'd go a million times around the world just to say  
She had been mine for a day
