Jet Boy

New York Dolls

Who so fly up in th' sky faster than
Any boy could ever describe
Who's got that love so deep
With everything aliveI said, "Jet boys fly, jet boys gone
Jet boy stole my baby"
Flyin' around New York City so high
Like he was my babyThis's the kinda place where
No one cares what you're livin' for
And jet boys so preoccupied
He don't care 'bout beforeAnd that's why, jet boys fly, jet boys gone
Jet boy stole my baby
Flyin' around New York City so high
Like he was my baby, my babyJet boys fly, jet boys gone
Jet boy stole my baby
Flyin' around New York City so high
Like he was my babyWe was all endangered charms
Swear we're havin' fun
And Jet boy knows after all we done
That's why he's the oneThat's why, jet boys fly, jet boys gone
Jet boy stole my baby
Flyin' around New York City so high
Like he was my babyMy pretty baby, my pretty pretty baby
My pretty babyWhen I first came around this dump
I knew I couldn't stay
'Cause up above the world are jet boy
That's why I gotta playDon'tcha know that, jet boys fly, jet boys gone
Jet boy stole my baby
Flyin' around New York City so high
Like he was my babyLike he was my baby, like he was my baby
Like he was my baby, like he was my baby
Jet boys fly and ya know he's gone
I said he been gone, gone, gone, goneAnd he been flyin', and he been flyin
He's been flyin', he been flyin'
Baby up all night, baby New York City
Baby so so high, baby so so highDontcha know that, like he was my baby
Like he was my baby, like he was my babyLike he was my, my, my, my baby
My, my, my, my baby
My, my, my, my, my baby
My baby, my baby, m-m-my baby, my baby
