Sunrise

Meredith Andrews

I can see the dawn of a new day
I can see a new horizon
I remember all you've told me
I can feel my faith arisingI have set my heart on who I know you are
Yea, I have set my sights on youI'm coming out of the midnight hour
I'm coming out of the shadows
I know, everytime I choose to lift my eyes
I see sunriseI have walked the lowest valleys
I have stood before the lions
You were with me in the trenches
You are greater than the giant
I have set my heart on who I know you are
Yea, I have set my sights on you
Do what you want to doI'm coming out of the midnight hour
I'm coming out of the shadows
I know, everytime I choose to lift my eyes
I see sunrise
I'm coming into the promised hope now
With the faith that I won't let go
Everytime I choose to lift my eyes
I see sunriseJoy is coming with the morning
Joy is coming, I can feel it rising in me
Joy is coming with the morning
Joy is coming, I can feel it rising in me
I'm coming out of the midnight hour
I'm coming out of the shadows
I know, everytime I choose to lift my eyes
I see sunrise
I'm coming into the promised hope now
With the faith that I won't let go
Everytime I choose to lift my eyes
I see sunriseJoy is coming with the morning
Joy is coming, I can feel it rising in me
Joy is coming with the morning
Joy is coming, I can feel it rising in me
