Melancholy (Holy Martyr)

Iced Earth

Make the sadness go away
Come back another day
For years I've tried to teach
But their eyes are empty
Empty, too, I have become
For them I must die
A sad and troubled race
An ungrateful troubled placeI see the sadness in their eyes
Melancholy in their cries
Devoid of all the passion
The human spirit cannot die
Look at the pain around me
This is what I cry for
Look at the pain around me
This is what I'll die forMake the sadness go away
Come back another day
The things I've said and done
Don't matter to anyone
But still, you push me to see
something I can never be
Why am I their shattered king
I don't mean anythingI see the sadness in their eyes
Melancholy in their cries
Devoid of all the passion
The human spirit cannot die
Look at the pain around me
This is what I cry for
Look at the pain around me
This is what I'll die for
