

# Walk On (Keep on Movin')

Donna Summer

Walk on  
Walk on  
Walk on Keep on walking and don't look back  
You gotta keep on down the track  
The future's your's to shape and mold  
The past is past beyond control So walk on  
Walk on  
Baby, walk on  
Walk on Walk on  
Walk on  
Walk on You gotta struggle up them hills  
To realize the downward thrill  
When night confuses where you are  
Then just look up at that guiding star So walk on  
Walk on  
Baby, walk on Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on) Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on) Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on) The wind may blow the sky may fall  
But if you're strong you'll go through it all  
And just as long as your aim is true  
There'll come a day your goal's in view  
So come on Baby, baby, let me walk with you  
Baby, baby, let me walk Baby, baby, let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Keep on moving)  
Baby, baby, let me walk with you  
(Keep on moving)  
Baby, baby, let me walk  
(Walk on) And when you reach where you belong  
You'll find it's where you first started from  
And through it all you're still the same

You swear it's them not you who's changed So walk on, walk on, walk on  
Keep on moving, keep on moving  
Keep on moving, keep on moving Just keep on moving, yeah  
Walk on  
Better keep on moving, yeah  
Walk on, walk on  
Baby, walk on
