Slow

Tricky

Knew you'd be here tonight
So I put my best dress on
Boy I was so rightOur eyes connected
Now nothing's how it used to be
No second guessesTrack in on this feeling
Pull focus close up you and me
Nobody's leavingGot me affected
Spun me 180 degrees
It's so electricSlow down and dance with meYeah, slow (slow)
Skip a beat and move with my body
Yeah, slow (slow)Come on and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow (slow)Don't wanna rush it
Let the rhythm pull you in
It's here so touch itYou know what I'm saying
And I haven't said a thing
Keep the record playing[Chorus]
Slow down and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow
Come on and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slowDance with me yeah
Read my body language
Slow, slow, slow
Take it down, down
Slow, slow, slow[Chorus]Come on and dance with me
Yeah, slow, slow
Come on and dance with me
Yeah, slow, slow, yeah
