

Sweet Love

House of Shem

Itâ€™s the way that she loves me, it keeps me running back for more
And she tells me that she needs me, so itâ€™s got to be for sure

Itâ€™s a sweet loving that I canâ€™t let go
Itâ€™s a sweet loving, I just canâ€™t, I just canâ€™t let you go

Iâ€™m gonna take my time, every single time
I wanna take this love, thatâ€™s how Iâ€™ll let you know
I want to be with you every single day because I love you baby
Iâ€™m gonna take my time, every single time
I wanna take this love, thatâ€™s how Iâ€™ll let you know
I want to be with you every single day yeah

Girl, you never tell me no
That you never want to let me go
So just reach out and hold me
Because Iâ€™ve got to let you know

Itâ€™s your sweet loving that I canâ€™t let go
Itâ€™s your sweet loving yeah, I just canâ€™t, I just canâ€™t let you go, oh no

Iâ€™m gonna take my time, every single time
I wanna take this love, thatâ€™s how Iâ€™ll let you know
That I want to be with you every single day (because I love you baby)
Iâ€™m gonna take my time, every single time
I wanna take this love, thatâ€™s how Iâ€™ll let you know
I want to be with you every single day yeah

Girl, you make me feel good and so fine
Baby girl, youâ€™re one of a kind
Everything you do blows my mind
Sweet love is so hard to find yeah
And you never wanna see me get down
Youâ€™re always there when I need you around
The times we share, I hold close to my heart
Aint nothing gonna tear us apart

Itâ€™s your sweet loving that I canâ€™t let go
Itâ€™s your sweet loving, I just canâ€™t, I just canâ€™t let you go

I'm gonna take my time, take it slow
I want to be with you, so baby let me know what you want to do x3
