

All I Want for Christmas

Lee Carr

Cause all I really want
Want for cChristmas is you We play fight in the snow then we make a snow man
I kiss your lips under the mistletoe as we hold hands
You see now it's Christmas and i gotta return the favor
I'm gon make sure she's able to get everything she wants
Because All I really want for Christmas
All I really need is you
I don't need much
I just want her
Baby I really do
Baby , All I want for Christmas
This year Is you
Cause all I really want
Want for Christmas is you Only gift under the tree I need, is you
And underneath the mistletoe I kiss, my boo Merry Christmas, Happy New Year
I'm sending this one out to you and yours
Merry Christmas
Merry Christmas All I really want for Christmas
All I really need is you
I don't need much
I just want her
Baby I really do
Baby, All I want for Christmas
This year is you
Cause all I really want
Want for Christmas is you
