

Drops In The River

Fleet Foxes

Crown of leaves, high in the window on a cold morning
Young today, old as a railroad tomorrow
Days are just drops in the river to be lost always
Only you, only you, you know
Years ago, birds of a feather would arrive nightly
Gone you know, held to another like clutched ivy
On the shore, speak to the ocean and receive silence
Only you, only you, you know
You hesitate so my memory fades, I'll hold to the first one
I wouldn't turn to another you say, on the long night we've made

Let it go
Only you, only you, you know
Only you, only you, you know
You hesitate so my memory fades, I'll hold to the first one
I wouldn't turn to another you say, on the long night we've made

Let it go
Speak to me slow my dear
No ghost of course in here
Pleased to be lonesome quiet and clear
All is alone in here
