

Crush What's Weak

Terror

I'll never forget the first time I saw Zero Tolerance or the day I got a dubbed "Victim in Pain" cassette with "Don't Forget the Struggle..." on the other side. Not to much has changed in me since then. Maybe it's me that's stuck but that's fine with me. I can't forget this struggle.

You can't take this away from me.
From the ashes I found true strength.
Built conviction to crush what's weak.
Strength of the mind.
Forced to see the other side.
With belief in self.
Through this world I reject.
Whether you like it or not, this is where I belong.
This struggle is now mine.
Hardships defined.
What's your lose or gain.
Keep your focus, keep your faith.
Men of steel rust.
Idols show true face.
Let them wash away.
I remain.
Like it or not, this is where I belong.
From the ashes I found true strength.
Built conviction to crush what's weak.
