Marrakech

Apster

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there beforeA ritual disgrace, Marrakech adventureThat familiar sound, explains what I'm feeling
I'm both lost and found, never been there beforeThat familiar sound, explains what I'm feeling
I'm both lost and found, never been there beforeA ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventureA ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventureDon't tell me how I've even came to get here
Mysterious, everything I hold dearThat familiar sound, explains what I'm feeling
I'm both lost and found, never been there beforeA ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventureA ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventureThat familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
Marrakech adventure
