

# Cashin (feat. Adamn Killa)

## Yung Lean

[Hook] x2

Cashin

We be braggin

My pants be sagging

I'm getting stacks

I be cashin

I hit the mall

Yes I ball

Shawty call[Verse 1: Adamn Killa]

Bitch I'm out in Europe like I'm out here on vacation

But I'm doing shows till I ran across the nation

If you want it, gotta get it like it ain't no waitin'

Bitch I want it right now, I don't got no patience

Niggas be broke cos they got all the patience

Don't know the currency so I don't know what I'm paying

Bitch I'm Adamn, that is what I'm saying

All this foreign money I can't count what I'm making

There's me, Lean, whitearmor and we out here baby

I don't want no baby, killavesi is my baby

Bitch I'm Adamn, all the hot boys they like hating

I can't save no thot cos these bitches they got rabies[Hook]

Cashin

We be braggin

My pants be sagging

Im getting stacks

I be cashin

I hit the mall

Yes I ball

Shawty call[Verse 2: Yung Lean]

I be cashin

Shawty splashin

What you know about Lean, I'm getting stacks

I be frozen, throwing money just catch up

Angels falling in my soul, money stacking, gucci cologne

Got cash got bags my bros

Many men wanna kill me, I don't know

Why they trying to get me I just blow

Money and coke up in my nose

Percs in my system, I'm never slow

Golden [?] running round the floor  
I sit down in the frozen throne  
She called me up and called me on the phone  
She fucked me over once, someone that I know  
I be getting dough  
Soldiers from white snow  
Moola in my rover  
With Adamn killing my soul  
Fuck with Lean I break your bones  
Fuck with Lean I break your bones  
Moola in my rover
