

Them Never Love Poor Marcus

The Mighty Diamonds

Them never love, never love, never love poor Marcus-they never love him, oh no

Them never love, never love,

Never love poor Marcus

Till they betray him

Him own brethren sell him fe rice 'n' peas

They didn't know there would be days like this

Now do you man waste in such a squeeze, yeah

[Chorus]

Men like Bag O' Wire should burn in fire

The betrayer of Marcus Garvey

[Chorus]

'Til the betray, one bredren sell him for rice and peas

They didn't know there would be days like these

Now the human race in such a squeeze, mmm Yeah

[Chorus]

Men like Bag O' Wire should burn

In fire fire fire, Lord betrayer.

[Chorus]

Black man come together, unity is forever
