## French Montana

Explicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you calling (Calling, calling, calling)Waiting, waiting  
Why am I waiting  
I keep that Q of sour for ya  
Never seen it realer  
Never seen it realer, dog  
Keep that Q of sour for meSay it if you mean it, babe  
You don't gotta lie to me  
All I want is real shit  
You can just vibe with me  
Tell me that you need it if you  
Need it, I can get it low  
Know that I can't get enough  
Believe it babyKeep the Q of sour for ya  
I can paint the picture babe  
You never had it so visual, visualExplicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you callin'  
With your eyes, with your eyesMontana  
You ain't gotta lie to me  
Shawty keep it real with me  
Started from the ground with me  
Now she on top of them hills with me  
Blowin' cash, till this money up  
Standin' on them couches while we like we on one, uh  
Same niggas that front  
Same niggas need a hundred  
Same bitches that front  
Same bitches that want it  
Fuckboys we passin'  
Cuban links we flashin'  
Bright lights in action  
Fly cars we crashin'  
I keep hearin' them voices  
Gotta make them choices  
Gotta pick your poison

Black, white, Rolls-Royces, hah  
Baby so explicit for ya  
'Cause all that money can't buy you love, MontanaYou never had it so visual, visual  
Explicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you callin'  
With your eyes, with your eyesOh, yeah, you just got to show to me  
I just want to know  
'Cause you glowin' from a distance  
Keep the Q of sour for ya  
Let me paint the picture, ha  
Oh, yeah, you just got to show to me  
I just want to know  
you're glowin' from a distance  
I keep the Q of sour for ya  
Let me paint the picture, uh  
Baby, paint the picture  
I keep that Q of sour for ya  
Never seen it realer  
You ain't never seen it realer, dog
