

Survival Of The Fittest

The Hollies

Give her a hand `cos she gave a good show
Her makeup was right for the occasion
She did what she had to do, she said what she had to say
She played her part to perfection

She`s so empty inside, lies to herself and the public
She`s so empty inside, lies to herself and the public
acclaim`s not the same
such a shame

The star of the show she was true to herself
and everything went as reported
Rumours about herself came along
That`s when it all got distorted

[Chorus]

What a good show she gave
Happy to go on the stage
Was she to know it would change
Can she go on feeling strange

[Chorus]
